Objective:

Seeking a position where my creative and organizational skills will produce exceptional media solutions

Education:

Interactive Media Design

The Art Institute of Philadelphia Jan 2002 – Sep 2005

Skills:

Adobe – Photoshop, Illustrator, Premiere
Macromedia – Flash, Dreamweaver, Fireworks, Director
Sony Audio Authoring – Sound Forge, Acid Pro
Apple – Final Cut Pro, iMovie
Script – HTML, Javascript, ActionScript, CSS, PHP & MySQL
Microsoft Office Suite

Accomplishments:

Best Of Quarter – Best Portfolio Sep 2005
Special Recognition in AIPH Student Art Show Nov 2004
Third Place in Kling Digital Art Exhibition June 2004
Best Of Quarter – Project Management Fall 2003

Experience:

International Student Network - Philadelphia Jul 2005 – Sep 2005

In ISN I was in charge of Web Design, image optimization, and minor advertising tasks for their regional expositions in Asia, Latin America and Dubai.

National A-1 - VOD.com - Philadelphia Jul 2005 – Present

As a Webmaster, I have the task of managing and editing content. That includes the description, packaging, and categorization of the product. My responsibilities are complemented by designing custom theaters for specific providers/content within the design department.

Freelance Labor:

Fashion Photography/Image Manipulation for local designer
Re-design of Silicon Institute of Technology – Offline
Web Design for music band, Lunazul – Offline

Transferable Skills:

Bilingual (Spanish, English)
Listening attentively
Providing appropriate feedback
Managing time

Speaking effectively
Expressing ideas
Coordinating tasks
Meeting goals
